

# 3RD SBCODL ANNUAL INTERNATIONAL CONFERENCE

November 2–4, 2025 | Hindustan Hotel, Farrukhabad

## Theme of the Conference

**“Transforming Education Through Innovation, Accreditation & Accessibility”**

We are pleased to announce the 3rd Annual International Conference of the Solanki Brothers Council for Open and Distance Learning (SBCODL) to be held in Farrukhabad, India from November 2-4, 2025.

## CONCEPT NOTE

The 3rd SBCODL International annual Conference comes at a crucial time when education systems worldwide are navigating profound shifts driven by digital transformation, global disruptions, evolving quality benchmarks, and the growing demand for equitable access to learning. These changes are reshaping the landscape of open, distance, hybrid, campus based education system and international education, calling for renewed strategies to ensure that innovation, accreditation, and accessibility are not just aspirational goals but actionable realities.

As institutions and stakeholders adapt to technological advancements, socio-economic challenges, and accreditation pressures, the role of councils and educational bodies like the Solanki Brothers Council for Open and Distance Learning (SBCODL) becomes more vital than ever. This conference will bring together global educators, policymakers, accreditation agencies, researchers, and development partners to deliberate on how to reimagine education that is future-ready, inclusive, and globally benchmarked.

### Conference Focus

The conference will explore the dynamic intersections of innovation, accreditation, and accessibility in transforming education. It will serve as a platform to:

- Examine how innovative pedagogies and technologies are reshaping teaching, learning, and student engagement.
- Discuss evolving quality assurance and accreditation frameworks that promote international credibility and recognition.
- Address the imperative of accessibility and equity, ensuring that learners from diverse socio-economic and geographical backgrounds can benefit from education opportunities.
- Explore strategies for building resilient, globally connected education systems that thrive amidst global uncertainties and disruptions.

## CONFERENCE SUB-THEMES

Arising from the overarching theme, the conference will explore the following sub-themes:

- Digital innovation and technology-enabled learning
- Accreditation frameworks for quality assurance in education
- Open, distance, and online learning for wider accessibility
- Global partnerships and international collaborations
- Inclusive education and equitable opportunities
- Policy, governance, and leadership in education reform
- Sustainable models for educational transformation
- Research, innovation, and knowledge sharing in education

## CONFERENCE OBJECTIVES

- To explore innovative practices reshaping education globally.
- To examine the role of accreditation in ensuring quality and trust in education.
- To promote accessibility and inclusivity in education across regions.
- To strengthen international collaborations and knowledge sharing.
- To discuss strategies for future-ready education systems.

## TARGET AUDIENCE

- Ministers of Education, policymakers, and government officials
- Leaders of universities, councils, and accreditation bodies
- Researchers, educators, and scholars
- International organizations and development partners
- EdTech innovators and private sector stakeholders
- Accreditation & quality assurance bodies
- Students & youth leaders
- NGOs & non-profits in education

## CALL FOR SUBMISSIONS

- Academic Papers – Research findings, case studies
- Workshops & Interactive Sessions – Hands-on learning, skill-building, policy development
- Panel Proposals – Experts addressing internationalization & accreditation
- Poster Presentations – Innovative projects, best practices in education
- Panel Discussions – Quality assurance & higher education futures
- Workshops & Training – For educators & administrators
- Networking Sessions – Engagement with accreditation bodies & global organizations
- Special Session – Launch of SBCODL Global Initiatives 2026

Submissions should align with one or more of the conference sub-themes:  
“Transforming Education through Innovation, Accreditation & Accessibility.”  
Please send your submissions to: [info@sbiea.co.in](mailto:info@sbiea.co.in)

## SUBMISSION GUIDELINES

|                                                                                                                                                                       |                                                                                                                                                                     |                                                                                         |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|
| <b>Abstract:</b> ≤300 words<br><b>Full Paper:</b> 4,000–6,000 words, TNR 12 pt, 1.5 spacing<br><b>Poster:</b> 500–800 words<br><b>Workshop/Panel:</b> 800–1,000 words | <b>Papers</b> – Research & case studies<br><b>Workshops</b> – Hands-on learning<br><b>Panels</b> – Expert discussions<br><b>Posters</b> – Projects & best practices | <b>Workshop/Panel Proposals:</b> 1–2 pages (objectives, methodology, expected outcomes) |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|

## IMPORTANT DATES
